

LET PEACE PREVAIL

Let us try what love can do
LET PEACE PREVAIL
To build this sad old world anew
LET PEACE PREVAIL

CHORUS: LET PEACE PREVAIL
LET PEACE PREVAIL
IN OUR HEARTS AND IN OUR MINDS
LET PEACE PREVAIL

Got to feed the hungry, clothe the poor
LET PEACE PREVAIL
Can't afford the cost of War
LET PEACE PREVAIL

CHORUS:

Old wrongs now we must forgive
LET PEACE PREVAIL
That every child on Earth may live
LET PEACE PREVAIL

CHORUS:

Raise your voices join your hands
LET PEACE PREVAIL
Justice and Mercy in every land
LET PEACE PREVAIL

CHORUS:

Let us try what love can do
LET PEACE PREVAIL
To build this sad old world anew
LET PEACE PREVAIL

CHORUS and repeat
