

LITTLE FOXES CUDDLE DOWN

**Little foxes cuddle down
Cuddle down cuddle down
Little foxes cuddle down
Their mama keeps them warm**

**Little foxes drink warm milk
Drink warm milk
Drink warm milk
Little foxes drink warm milk
Till their tummies are quite full**

**Little foxes go to sleep
Go to sleep
Go to sleep
Little foxes go to sleep
Until it's time to play**

**Little foxes run and play
Run and play
Run and play
Little foxes run and play
Till they are very tired**

**Little foxes cuddle down
Cuddle down cuddle down
Little foxes cuddle down
Their mama keeps them warm**

Human babies cuddle down...

Human babies drink warm milk...

Human babies go to sleep...

Human babies laugh and play...

Human babies cuddle down...
