

STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

Democratic Party called me yesterday
Democratic Party called me yesterday
Democratic Party called me yesterday
Wanted my donation, but all that I would say
(was) STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

We need money for schools, babies and moms
Money for seniors, babies and moms
Money for veterans, babies and moms
Don't waste tax dollars buying missiles and bombs
Just STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

NeoCons been using this war as an excuse
NeoCons been using this war as an excuse
NeoCons been using this war as an excuse
For low down dirty Constitution abuse
STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

There are funny little noises on my phone line
Funny little noises on your phone line
Funny little noises on our phone lines
The NSA boys been workin' overtime
STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

CIA walkin' in the middle of the night
CIA stalkin' in the middle of the night
CIA knockin' in the middle of the night
Abduction and torture you know it ain't right
STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

So it's Land of the Brave, Home of the Free
Land of the Brave, Home of the Free
Land of the Brave, Home of the Free
Won't you Democrats stand up for Democracy
Why don't you STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW

I say "STOP THE WAR, BRING BACK THE BILL OF RIGHTS NOW"

Written 2007.
